Profile

Motivated and detail-oriented frontend developer with hands-on experience in HTML5, CSS3, JavaScript, React.js, and Bootstrap. Skilled in building responsive and dynamic web applications using modern UI frameworks and component-based architecture. Eager to contribute to real-world projects, continuously improve technical skills, and grow within a professional development environment.

Technical Skills

Languages: — HTML5, CSS3, JavaScript, Python, SQL .

Frontend Libraries & Frameworks: — React.js, Next.js, Bootstrap, Tailwind CSS .

Tools & Platforms: — Git, GitHub, Node.js, VS Code.

DataBase — Mongodb .

others — Others: REST API Integration, Component-Based Architecture, Responsive Design .

Projects

Job Portal Web Application
- Built with Next.js, React.js, Tailwind CSS, and Bootstrap.
- Implemented JWT authentication and role-based dashboards for recruiters and users.
- Developed features like job posting, resume uploads, and profile management.
- Used MongoDB for backend integration and React Hooks for state management.

Portfolio ⧉
- Built a personal portfolio using HTML, CSS, JavaScript, React.js, and Bootstrap.
- Showcased projects and skills through a responsive, interactive user interface.
- Continuously maintained to reflect technical growth and learning progress.

Learning Management System(Lms)
Developing a Learning Management System using React.js, focusing on building a responsive, user-friendly interface for students and instructors. My work involves integrating dynamic features, improving user experience, and ensuring seamless interaction with backend systems for efficient course management and performance tracking.

Education

Master of Computer Application   Oct 2023 – present
Galgotias University   Gautam Buddha Nagar, India

Bachelor of Science(Mathematics)   Ayodhya, India
Dr. Ram Manohar Lohia Awadh University

Certificates

- Course on Computer Concepts(CCC)
- Certificate for the Completion of RDBMS PostgreSQL Training ⧉
